

# COVID-19 SAFETY CHECKLIST

## ICE RINK REOPENING CONSIDERATIONS

The following lists the operational adjustments that Ice Rinks may want to consider as they reopen to the public during the COVID-19 pandemic. It is important to note that many of these considerations may change as government guidelines, industry standards and guidance from medical professionals evolve. As you develop your reopening plans, it is critical that you ensure that they are compliant with federal, state and local laws and government regulations. Additionally, it is always a good idea to review your plans with your legal counsel.
